

Paramedic

Associate of Applied Science Degree

NOTE: This program is currently under review and will not be accepting new students.

A hybrid option is available for this program. Please contact advising for more information.

Program Website (<http://www.gfcmsu.edu/webs/ems/>)

Emergency Medical Services (EMS) personnel play a primary role in providing care and transportation of the sick and injured in a pre-hospital setting. GFC MSU offers an AAS degree for the Paramedic program.

Upon completion of the Paramedic program, students will be prepared to sit for the National Registry Certification Examination to gain licensure and begin a successful career as a top-level pre-hospital care provider.

The Paramedic program is nationally accredited through CAAHEP, the Commission on Accreditation of Allied Health Education Programs, in collaboration with CoAEMSP, the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions.

Admission Requirements

The Great Falls College MSU Paramedic Program is a limited enrollment program, accepting a restricted number of students each year. Interested students are urged to contact the Program Director or the Advising & Career Center Advisors for student advising specific to program admission requirements and criteria for program acceptance.

Eligibility for Admission into the Paramedic Program

All eligibility forms and documents are enclosed in the Paramedic Program Information and Application Packet.

To be eligible to apply for admission into the Paramedic Program, applicants must:

- Be admitted to Great Falls College MSU
- Be in good academic standing

Required Paramedic program admissions qualifications include:

- Current National Registry Certification as an EMT
- EMT or AEMT state licensure prior to enrollment
- Current certification in BLS HCP (CPR)
- A math course in the MUS Core (<http://catalog.gfcmsu.edu/academic-programs/montana-university-system-core/#programrequirements>) with a grade of at least C-
- WRIT 101 College Writing I or higher with a grade of at least C-
- BIOH 104 Basic Human Biology w/ Lab **OR** BIOH 108 **OR BOTH** BIOH 201 and BIOH 211 with a grade of at least C- or higher

Outcomes

Graduates are prepared to:

Program Cognitive Objective:

- Demonstrate the ability to comprehend, apply, and evaluate the clinical information relative to his role as an entry-level Paramedic in Cascade County, the State of Montana, and the U.S.

Program Psychomotor Objective:

Lab/Course Fees	\$1,985
Books/Supplies	\$2,417
Total	\$13,308

*

Fall 2023 MUS Student Health Insurance Premiums may be changing. Please check the Health Insurance website (<http://students.gfcmsu.edu/insurance.html>) and/or Student Central for confirmed premium rates. Students will be charged an additional fee of \$21 per credit for online/hybrid courses for only Summer 2023.

Program Requirements

Many students need preliminary math, science, and writing courses before enrolling in the program requirements. These courses may increase the total number of program credits. Students should review their math and writing placement before planning out their full program schedules.

The Great Falls College Paramedic Program is a limited enrollment program, accepting a restricted number of students each year. Interested students are urged to contact the Paramedic Program Director or Advising and Career Center Advisors for student advising specific to admission requirements and criteria for program acceptance.

Science courses with labs must be completed within five (5) years of application to the program, and other courses must be completed within 15 years of applying to the program.

Prerequisite Courses

Course	Title	Credits	Grade/Sem
Fall Semester			
ECP 131	Emergency Medical Technician with Clinical +	7	_____
M 121	College Algebra (OR Any math course in the MUS Core) **,+	3	_____
WRIT 101	College Writing I **,+	3	_____
Fall Subtotal		13	_____
Spring Semester			
Select one of the following:			
BIOH 104	Basic Human Biology w/ Lab +	4	_____
BIOH 108	Basic Anatomy +	4	_____
or both			
BIOH 201	Human Anatomy Phys I w/ Lab (= 301) **,+	4	_____
BIOH 211	Human Anatomy Phys II w/ Lab (=311) **,+	4	_____
NOTE: UM Western students may substitute BIOB 160, BIOH 365 & BIOH 370 for GFC MSU BIOH 201 & BIOH 211. All 3 classes are required and must have a grade of C or higher (not C-) within the last 5 years of application.			
Electives ***		7	_____
Select one of the following:			
COMX 115	Introduction to Interpersonal Communication +	3	_____
PSYX 100	Introduction to Psychology +	3	_____
SOCI 101	Introduction to Sociology +	3	_____
Spring Subtotal		14-18	_____

TOTAL PREREQUISITE CREDITS: 27-31

+
A grade of C- or above is required for graduation.

Indicates prerequisites needed.

Placement in course(s) is determined by placement assesment.

PROGRAM ADVISOR will work with student to choose appropriate electives.

Program Course Requirements After Formal Acceptance

Course	Title	Credits	Grade/Sem
First Year			
Fall			
ECP 203	Fundamentals of Advanced Care **,+	3	_____
ECP 209	Paramedic I **,+	3	_____
ECP 210	Paramedic II **,+	3	_____
