

Withdrawal from the College

Students planning to withdraw from all courses must consult with the Advising and Career Center. The Advising and Career Center will provide important information regarding the way a withdrawal will affect financial aid eligibility, tuition and fee refunds, re-admission to the College, and grade point average. Courses the student is enrolled in at the time of withdrawal from the College will be entered on the student's transcript in accordance with the grading policy in effect at that time.

Tuition and fees are adjusted accordingly for total withdrawals up to the end of the 15th day of fall and spring semesters. This deadline is pro-rated for the summer term(s). See the Institutional Tuition and Fees policy for further information:
