

# Associate of Science

The Associate of Science degree is offered both online and on campus.

The Associate of Science (AS) Degree includes education in specific knowledge areas, most typically in math and natural sciences. Focusing on integration of information while increasing a student's employability, the AS is designed for transferability to a baccalaureate program.

Upon completion of the 31 credits required in the core, students are eligible to receive a Certificate in General Studies from Great Falls College MSU. The Certificate recognizes the completion of the core and is approved by the Montana University System Board of Regents. Students may use the Certificate to demonstrate completion of the core when transferring within the MUS or as a milestone to earning an Associate of Arts or Associate of Science degree at Great Falls College MSU.

To receive the AS degree, the following requirements must be completed:

Course	Title	Credits	Grade/Sem
Montana University System Core Requirements		31	_____
Computer Skills/Usage requirement		3	_____
Math and Science coursework		9	_____
Electives		17	_____
Final cumulative grade point average of at least 2.0			
<b>Total Credits</b>		<b>60</b>	_____

Courses taken to fulfill one specific requirement, including courses in the Elective block, may not be used to fulfill another specific requirement; thus, a course taken to fulfill the Natural Science requirement in the Montana University System Core may not be used as an Elective.

## Outcomes

### Graduates are prepared to:

- Demonstrate the outcomes achievable by completing the Montana University System Core.
- Use appropriate technologies for personal, academic, and career tasks.
- Apply Mathematics and Science in today's world.
- Value cultural diversity.
- Value the distinct and unique heritage of American Indians.

## Estimated Cost

### Estimated Resident Program Cost \*

Tuition and Fees	\$7,064
Lab Fees	\$70
Books/Supplies	\$1,735
Total	\$8,899

\*

Fall 2023 MUS Student Health Insurance Premiums may be changing. Please check the Health Insurance website (<http://students.gfcmsu.edu/insurance.html>) and/or Student Central for confirmed premium rates. Students will be charged an additional fee of \$21 per credit for online/hybrid courses for only Summer 2023 classes.

## Program Requirements

Many students need preliminary math, science, and writing courses before enrolling in the program requirements. These courses may increase the total number of program credits. Students should review their math and writing placement before planning out their full program schedules.

Students should consult with the intended receiving institution to determine whether or not additional core courses may be required to satisfy that institution's General Education Core.
