

Office Management & Supervision

Associate of Applied Science Degree

Program Director: Kerry Dolan

Students can complete this program in multiple options, including face to face, distance/hybrid, and full or part time.

This program is designed to prepare students with the skills needed to manage various aspects of the front- and back-office operations of a business. Graduates of this program can work in public industries or governmental agencies as office managers, executive administrative assistants, and other positions that support the overall business operations.

Outcomes

Graduates are prepared to:

- Create and maintain business records.
- Use office software applications.
- Communicate professionally, both orally and in writing.
- Apply an understanding of common business structures and functions on the decision-making process.
- Coordinate and direct office services.
- Analyze the legal and ethical implications of business decisions.
- Demonstrate an understanding of current application and practice related to the supervision of others.

Estimated Cost

Estimated Resident Program Cost*

Tuition and Fees	\$7,064
Books/Supplies	\$2,266
Total	\$9,360

*

Fall 2023 MUS Student Health Insurance Premiums may be changing. Please check the Health Insurance website (<http://students.gfcmsu.edu/insurance.html>) and/or Student Central for confirmed premium rates. Students will be charged an additional fee of \$21 per credit for online/hybrid courses for only Summer 2023.
