

Repeat Coursework

Students are allowed to repeat a passed course one time and receive financial aid. Passed courses are those courses completed with a grade of D- or above. If a student repeats the same course more than once, that course is not considered in determining the enrollment status for financial aid purposes but is counted in attempted credits for Satisfactory Academic Progress (SAP) determination. Courses for which the student received a 'W' or 'F' grade may be repeated multiple times as long as the student is otherwise maintaining Satisfactory Academic Progress.
