2021-2022 Student Statement of Educational Purposes

Your 2021-2022 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. If you have questions about verification, contact us as soon as possible so that your financial aid will not be delayed.

Print your name and student ID number in ink on all documents; please do not leave any questions blank. *Allow 2-4 weeks for processing after all documents are submitted.* Periodically check _Banner Web-My Info_ for an award letter or status update.
