 - PROVE IT – Develop a learning portfolio and submit it for assessment.
- The Division Director will designate the appropriate faculty member, Department Chair or Program Director to develop the criteria of the portfolio, individual performance or demonstration assessment and/or other faculty-determined assessment methods.
 - Credit for PLA standardized exams (i.e. CLEP, DSST and UExcel) are evaluated as transfer work.
 - Credit for PLA instructional based credits (i.e. AP (formal Advanced Placement passing exam score), IB (formal International Baccalaureate passing exam score), military training and educational programs (evaluated by the American Council on Education (ACE)), faculty-developed course challenge exams, formal training and educational programs offered via business and industry evaluated by the American Council on Education (ACE) or the National College Credit Recommendation Service (NCCRS) are not considered experiential learning-based credits. At Great Falls College MSU they are evaluated as transfer work.
 - Materials and documents submitted for consideration of credit for PLA must comply with all Great Falls College MSU and Montana University System Policies.
 - All submitted materials and documents become part of the students' academic record and will not be returned.
 - The student is responsible for providing the appropriate documentation as required by the guidelines and/or criteria established by the faculty member, program director, or department chair for the award of credit for PLA.
 - **NOTE:** AP, CLEP, DSST, UExcel, IB, ACE and NCCRS recommendations may include many credits which will not apply to a student's degree program. Only recommendations directly applicable to the student's degree at Great Falls College MSU will be accepted. If the student chooses a different degree, the assessment of the recommendations will be updated. Once credits have been applied to a transcript they will not be removed. PLA credits in excess of degree requirements may limit the student's eligibility for financial aid.
