

**ARTICULATION AGREEMENT  
BETWEEN GREAT FALLS COLLEGE MONTANA STATE UNIVERSITY  
AND MONTANA TECHNOLOGICAL UNIVERSITY**

**OVERVIEW:**

This formal program articulation agreement is made and entered into by Great Falls College Montana State University, hereinafter referred to as GFC MSU, and Montana Technological University, hereinafter referred to as MT Tech. By this agreement GFC MSU and MT Tech express a shared commitment to increasing opportunities for student access to and success in higher education.

**PURPOSE:**

This is a 2+2 program agreement which provides students who have completed the **Associate of Arts** degree the opportunity to complete a **Bachelor of Science in Business and Information Technology** with the **Accounting Option** degree at MT Tech. Any GFC MSU student who has earned an Associate of Arts degree with coursework that adheres to the guidelines within this agreement is guaranteed that MT Tech will accept designated major related credits and that all general education credits will apply to the Bachelor of Science in Business and Information Technology, Accounting Option degree in a manner consistent with the treatment of native MT Tech students.

**CONDITIONS OF TRANSFER:**

**Section I: Admissions and Matriculation**

GFC MSU students maintaining continuous enrollment under this agreement will be afforded the same treatment and protection as native MT Tech students enrolled under a specific catalog.

Criteria for acceptance into MT Tech will be the same for transfer as for native students.

GFC MSU, upon request of students, will provide verification of completed courses to MT Tech through its Office of Admissions and Records. The transcript of students transferring from GFC MSU will be evaluated by the Registrar's Office at MT Tech.

Transfer students from GFC MSU will have access to financial aid, scholarships, and student services on the same basis as native students.

MSU will apply the same academic progress and graduation standards to GFC MSU transfer students as those applicable to native students at MT Tech.

**Section II: Transfer of Credit**

A maximum of 63 semester hours will be accepted by MT Tech from GFC MSU to be applied to the Bachelor of Science in Business and Information Technology degree as outlined in this agreement.

**Section III: Program Plan**

While a course-by-course equivalence was used in the development of this plan, this agreement presumes that the general education core requirements at GFC MSU meet general education requirements at MT Tech.

## TERMS of AGREEMENT:

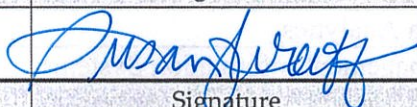

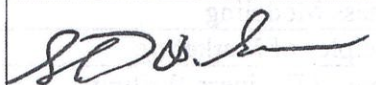

This agreement is made and entered into for the academic year 2020-2021 and remains in force unless changed in writing by mutual agreement to both parties. The agreement may be amended at any time with the approval of both parties and is subject to annual review to assure currency with the respective degree requirements. Should either party desire to discontinue this agreement, advance notification of one year will be required.
