In accordance with evaluation procedures, the instructor will provide copies of a course syllabus for each course taught every semester. These syllabi are housed in the Academic Divisions and with the Associate Dean. The primary purpose of the checklist is to verify that the required content is present in the syllabus. The completed checklist will be used as a cover sheet when submitting your syllabus to the Academic Dean, as specified in the Collective Bargaining Agreement. Syllabi must be ready for distribution to students on the first day of class. If you are unable to complete items on the checklist, please explain in the comments section.

IX. ATTENDANCE AND TARDINESS:

210.1 ATTENDANCE & NO SHOW

Attendance Policy

Great Falls College recognizes the correlation between attendance and both student retention and achievement. Any class session or activity missed, regardless of cause, reduces the opportunity for learning and may adversely affect a student's achievement in the course.

Class attendance and/or participation is required in all courses, regardless of the method of delivery (face-to-face, hybrid, or online) and students are expected to attend all class sessions for which they are registered. Instructors may establish absence policies at their own discretion within their courses to conform to the educational goals and requirements of their courses; however, policies will be clearly detailed in the course syllabus, which must be provided to each student enrolled in the course. It is the responsibility of the student to arrange make up work missed because of legitimate class absences and to notify the instructor when an absence will occur. The instructor determines the effect of the absences on grades.

For Financial Aid purposes, faculty are required to take attendance in order to report a last known date of attendance for any student receiving a failing final grade.

No Show Policy

In order to receive any letter grade, a student must have attended a minimum of one class meeting or the equivalent in the case of a distance learning course. In a distance learning course, initial student attendance is determined by course participation as measured by accessing and using course materials, completion of a class assignment, participation in a course discussion, or other evidence of participation.

Students, who enroll in a course but do not attend a minimum of one class meeting or the distance learning equivalent by the end of the 15th day of fall and spring semesters, (this deadline is pro-rated for the summer term(s)) will be administratively deleted from the course by Great Falls College administrative personnel. This process will only be carried out after proof of multiple attempts to contact the student is documented by faculty.

Students, who do not attend a class prior to the end of the 15th day of fall and spring semesters, (this deadline is prorated for the summer term(s)) and do not drop themselves from the course will not receive a refund of tuition in the course and will not be allowed to attend/participate in the class or submit assignments. Failure to attend or participate in a course will adversely impact a student's financial aid award and bill with the college.

X. ACCOMMODATIONS

The Americans with Disabilities Act (ADA) is a federal anti-discrimination statute that provides comprehensive civil rights protection for persons with disabilities. Among other things, this legislation requires that all students with disabilities be guaranteed a learning environment that provides for reasonable accommodation of their disabilities. If you believe you have a disability

requiring an accommodation, please contact Kathy Meier., M. Ed., Director of Disability Services, in R 261, or call 406-771-4311 to schedule an appointment.

XI. ACADEMIC SUCCESS CENTER

The Academic Success Center helps students successfully complete their courses by providing free tutoring to GFC MSU students in a variety of areas, including writing, math, science, anatomy and physiology, chemistry, accounting, computers and more. The Academic Success Center also helps students improve their study skills, holds academic events intended to help student performance and increase student success. No appointment is necessary. Tutoring is available on campus in R263 and online. For more information, including a current tutoring schedule, go to www.gfcmsu.edu/students/LearningCenter, email us at academicssuccess@gfcmsu.edu, or call 406-771-5121.

XII. PLAGIARISM AND ACADEMIC INTEGRITY

300.14 ACADEMIC HONESTY

The integrity of the academic process requires credit be given where credit is due. Accordingly, it is academic misconduct to present the ideas or works of another as one's own work, or to permit another to present one's work without customary and proper acknowledgment of authorship. Students may collaborate with other students only as expressly permitted by the instructor. Students are responsible for the honest completion and representation of their work, the appropriate citation of sources and the respect and recognition of others' academic endeavors.

300.42 DESCRIPTIONS AND EXAMPLES

D. Plagiarism

This is presenting the work of another as one's own without proper acknowledgment.

Examples of plagiarism include submitting as one's own work the work of another student, ghost writer or commercial writing service; directly quoting from a source without acknowledgment; paraphrasing or summarizing another's work without acknowledging the source; or using facts, figures, graphs, charts or information without acknowledging the source. Plagiarism may occur orally or in writing and may involve computer programs and files, research designs, distinctive figures of speech, ideas and images or any other information that belongs to another person and is not acknowledged as such. Inadvertent or unintentional misuse or appropriation of another's work (such as relying heavily on source material that is not expressly acknowledged) is still considered plagiarism.
