Policy 306.3 Quarter to Semester Credit Conversion

Effective: May 2012

Revised: November 2021

If a student has taken courses at an institution using quarter credits or units other than semester credits, Great Falls College MSU (GFC MSU) will convert the quarter credits/units to semester credits. Credits will not be lost in the conversion. For example, 15 quarter credits ($15 \times 2/3 = 10$), would convert to 10 semester credits.

If a course is transferred as a required course for a degree or credential, it will be accepted as the equivalent GFC MSU course. If the course is not the same semester hours as the course at GFC MSU, the student will need to meet program hours for graduation.
